# ABOUT US

---

Jewellery is an extension of ourselves. It tells vivid stories about us to the world. It draws whispers of awe from friends, looks of longing from relatives and a feeling of pride from within. We at Bandhan Jewellers believe that just like the human soul, jewellery that embraces it too must be pure.

Bandhan Jewellers is the house of awe-inspiring fine jewellery that infuses tradition with creative, contemporary energy. The brand is proudly and firmly rooted in tradition, with a legacy of over 10 illustrious years. Founded in 2015.

Today the brand is a name to reckon with – consciously nurtured and managed by the Bandhan family in New Delhi. Drawing from its heritage, the brand has perennially evolved with time to embrace the present, to offer designs that are inimically imbued with a luxurious signature-modern aesthetic that is uniquely ours.
